Project Detail

Users of the Redmond Community Development Guide and the Comprehensive Plan can now access the updated codes through the internet. Both codes can be accessed by going to either www.ci.redmond.wa.us, the City of Redmond's website under City Services/Development or through www.mrsc.org, Municipal Research Center. The current version includes ordinances through 2152, passed February 18, 2003. Ordinances passed since that date are listed on our website: www.redmond.gov under INSIDE CITY HALL, DOCUMENT LIBRARY, CITY ORDINANCES. The next update is scheduled for Summer 2004.
